

May 26, 2011

Dear The Montage Hotel of Beverly Hills,

VCA Charities would like to thank you for your generous donation of massive amount of towels for the South Los Angeles Animal Shelter on May 25, 2011. The students of the Peace First organization were so happy to get the towels so they could help the animals in their local animal shelter. Around the country, shelters and hospitals are in constant need of towels and blankets, and with your help we can begin to make life better for pets in those shelters and hospitals.

We strive to improve the lives of pets and their families around the world, and with your donation, we can achieve that goal. Through your donation and our Pennies for Pets Campaign, which allows clients at VCA Animal Hospitals to round up their bills to the nearest dollar, we can continue to fund our programs. Our VCA Charities Pet Food Pantry, located in Los Angeles and New York City gives thousands of pounds of pet food monthly to families in need. We also sponsor ViDAS, an organization that biannually sends veterinarians to developing countries for medical relief work. Our grants programs provide funding for other pet related charities domestically as well.

If you would like to continue to help VCA Charities or to find up-to-date information on all of our programs, please visit us at [www.VCAcharities.org](http://www.VCAcharities.org).

Thank you for helping pets in need!

Sincerely

A handwritten signature in black ink, appearing to read "Brandon Antin". The signature is stylized with a large, sweeping initial letter and a long horizontal stroke.
