Stacy,

Congratulations on an exceptionally good blood drive yesterday. Your group collected 35 units of whole blood which, when processed, has the capacity to help up to 105 patients at local hospitals. Excellent job!

Here is the breakdown of your blood drive:

- 51 Sign ups
- 44 Presenting
- 35 Units collected goal was 33 106% of goal.

Please share the news with your colleagues. Thank you so much for hosting the February 21st blood drive and I look forward to having the opportunity to work with you and your group again.

Sincerely,

Mark Bacon
