Dear Montage Laguna Beach,

On behalf of the board, staff and the families we serve, I want to thank you for your generous donations to our Thanksgiving program this year. With your participation, we were able to provide over 700 families with the traditional Thanksgiving foods so they could enjoy a special Thanksgiving meal with their families. This is the largest number of families we have ever served! We could not have done this without the generous support of you and others in our community!

We all are aware of the difficult times facing our community as well as our country overall. Here at Families Forward we see the need increasing on a daily basis. But we have been encouraged by the out-pouring of care and concern for others. As you may know, Families Forward's mission is to assist families in need through housing, counseling, education, food assistance and other resources. We only can do this work through the support of individuals, businesses, churches & synagogues as well as schools and other groups. Your partnership is very significant as we continue this work.

Again, thank you to all of you who helped make this a special Thanksgiving for so many! We hope you will continue to partner with us through this year and into the New Year!

We wish you a happy holiday season!

With warm regards,

Debbie Regele
Community Outreach Coordinator
