

*I thank each and every one of you for your generosity in supporting the 4th Annual Fields of Life, USA Fundraiser and the building of The Joan Jordan Primary School. I want you to know how much of a difference your support made.*

*Your generosity has helped to raise the funds needed to build The Joan Jordan Primary School in Buyale, Uganda, Africa. I will be traveling to Uganda, Africa in November along with the founder of Fields of Life, USA – Trevor Stevenson – to lay the cornerstone of this school and with your help we will raise the necessary amount needed to complete The Joan Jordan Primary School.*

*This organization provides educational activities to many Ugandan children who live in remote areas of a continent still plagued by dark pockets of ignorance. Thanks to YOU, we will be able to shine a bright light in one of those pockets. Many of you know that I began my career as an elementary school teacher; our work in Uganda touches a nerve that runs deep into me.*

*In light of the current economic situation, your donations are even more appreciated! And on the behalf of Fields of Life, USA and the entire Fundraising Committee, please accept our sincerest thanks for making the dream of The Joan Jordan Primary School a reality. God bless you for your caring hearts and willingness to make our world a better place.*

*Warmest Regards,*

Nicholas Jordan
