

# Thank you

From  
Laguna Relief  
and Resource Coalition

November 27, 2008

Dear Mary,

Once again the Board of Directors of the Laguna Resource Center finds itself in the enviable position of thanking you for your gracious generosity. Your delivery of a half dozen turkeys to the LRC was so special. They were the only turkeys received this Thanksgiving. Today is the holiday. It seems fitting to extend a grateful thanks to you and The Hearts of Montage as we remember those who bless us.  
Happy Thanksgiving with Hon.
