Dear James,

Thank you so much for your gift of \$5,500. This generous gift helps support our Adopt-A-Class program at the Ocean Institute, which brings underserved children to the Ocean Institute.

The Ocean Institute prides itself on providing educational programs that engage students in the learning process. We use the ocean as a teaching tool and immerse students in experiential programs that inspire learning, literacy, and a love of the environment.

Thank you again. We are very grateful for your continued support.

Best regards,
