Dear James,

Thank you for your generous contribution to the Boys & Girls Club of Laguna Beach arts program. We are extremely grateful for your dedication to supporting creativity in young people today, which will help tomorrow's world be a better place! No good or services were provided in exchange for your contribution.

Together, we are able to engage young people in the arts and foster their creativity, confidence and capability to contribute to the world. Because you care, the youth participating in our art programs will have the opportunity to expand their personal understanding of themselves and their compassion for others.

Once again, on behalf of our kids and our Club, Thank You!

Sincerely,

Pamela Estes  
Executive Director
