LAGUNA BEACH EDUCATION FOUNDATION

Dear James and the Hearts of Montage Team,
Schoolpower and the Laguna Beach School District were pleasantly stunned by your generosity and warmed by the sentiment of your donation. Your gift will go a long way toward enriching the lives of Laguna Beach students.

You have already added to the special nature of our community. This gift adds to the legacy you bring to Laguna.

On behalf of my family, the SchoolPower board and the LBSU board... Thank you!

We most certainly look forward to building on our relationship with The Montage and The Hearts of Montage. You have something very special. You should be proud of that and proud of what you bring to this community.

My very best to all,

Tom Korb SchoolPower President
